Kickoff mode: ON

Welcome! Are you ready to hike one of Europe's most beautiful transnational trails? After landing at Tirana Airport, we drive north to **Shkodra**, a buzzing northern city with charm for days.

We'll stroll the **Old Boulevard**, soak in those first sips of Balkan culture, and settle into a traditional Albanian hotel. Dinner? It's a proper Northern Albanian feast—comfort food, done the grandma way. Rest up—the mountains are calling.

Day 2 - Lake Koman Ferry → Valbona Valley

Fjords, ferries & first hikes.

After breakfast, we head straight to **Lake Koman**—where a boat ride through Albania's wildest fjords awaits. Think mirror-like turquoise water, limestone cliffs rising like giants, and that blissful feeling of being totally off-grid. Then, we land in the heart of **Valbona Valley**—a place so surreal, it feels like nature's private gallery. Towering peaks, riverside trails, and wildflower-dotted meadows welcome us into the Alps. After exploring the valley, we settle into our mountain guesthouse and sit down to another **grand traditional feast**—flavors deep, portions generous, hospitality unmatched.

Day 3 - Valbona → Cerem (via Presllopi Pass + Optional Summit)

Peaks, pastures & blueberry stops.

Today, boots hit trail. We climb toward the legendary **Presllopi Pass**, stopping at remote mountain cabins to refuel on homemade yoghurt and wild blueberries. Feeling strong and skies are clear? We aim for **Kollata e Keqe (2535m)**—Montenegro's highest peak.

We descend into **Cerem**, a quiet alpine village tucked between the pines, where rustic charm and mountain silence wrap around you like a blanket.

Day 4 - Cerem → Dobërdol

Forest paths, border hops & the dreamiest village you've never heard of.

We set off through ancient forests and highland pastures. Today's path dances along the Albania-Montenegro border before leading us to **Dobërdol**.

A tiny alpine village surrounded by peaks, a waterfall, and a crystal-clear lake perfect for a chilly dip. We gather by the fire, share stories under a billion stars, and sleep where the map runs out.

Day 5 - Dobërdol → Gjeravica Summit → Gacaferi Guesthouse

Summit day, glacial dips & pure Kosovo magic.

We cross into **Kosovo** and climb **Gjeravica** (2,656m). Epic 360° views, alpine lakes, and maybe a splash in **Heart Lake**.

We finish at **Gacaferi Guesthouse**, a cozy wooden hut hidden in the forest. Rest those legs—you've earned it.

Day 6 - Gacaferi Guesthouse → Three Border Point → Milishevc

Three countries. One ridge. Endless awe.

We hike to **Tropoja Lake** and then the **Three Border Peak**—where Albania, Kosovo, and Montenegro meet.

After ridge trekking through Kosovo's mountains, we descend into **Milishevc**, a peaceful mountain village.

Day 7 - Milishevc → Babino Polje

Wildflowers, woodlands & Montenegro calling.

Today, we cross into **Montenegro** and wander through flower-filled pastures and shady woodlands.

We end the day in **Babino Polje**, a tranquil alpine village with nearby lakes perfect for a fresh dip and mountain feast.

Day 8 - Babino Polje → Karanfili Massif (Grebaje Valley)

Peaks, picnics & the “Dolomites of the Balkans.”

We summit **Popadija**, **Talijanka**, and **Volušnica**—with views of the jagged **Karanfili Massif**. We picnic with panoramic views, then descend to **Grebaje Valley National Park**. Transfer to **Vucetaj Guesthouse** for the night.

Day 9 - Vuthaj → Theth (via Jezerca Lakes)

Border crossings, glacier lakes & echoes of the past.

Crossing back into **Albania**, we trek through the **Prokletije Mountains**, past glacial lakes like **Jezerca**, and WWII-era bunkers.

We arrive in **Theth**, a village where time stands still and stories whisper through the stones.

Day 10 - Explore Theth → Blue Eye → Tirana

Mountain magic, one last swim & the road home.

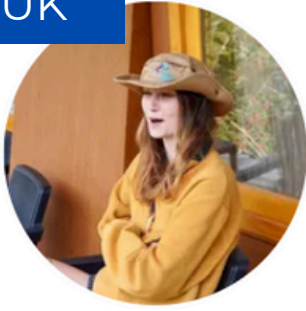

We explore **Theth National Park**, visiting its iconic church and taking a final swim in the stunning **Blue Eye** spring.

After one last moment of mountain magic, we transfer back to **Tirana** for your departure.
